## School Level Geography Bee

Osmond Elementary's after school program, Dry Creek Academy, included a geography club. Mr. Robbins met with club members to enhance their understanding of world geography. After several weeks of fun learning activities, a bee in conjunction with the National Geographic Society's geographic bee was held.

The National Geographic Bee is an annual geography contest sponsored by the National Geographic Society. The bee, held every year since 1989, is open to students in the fourth through eighth grades in participating schools from the United States.

Osmond's winners were: Connor Klindt 1<sup>st</sup>, Shayla Frazier 2<sup>nd</sup>, and Keston Johnson 3<sup>rd</sup>. Congratulations!
