Parent Input for Student Placement

The time for next year's class placement is fast approaching. If you are considering making a suggestion for teacher placement for your child, remember to use the *application form* that is available on our website at www.osmond.lcsd2.org. Or you may pick one up from the office. Please consider the following:

- Every classroom in each grade level offers the same exposure to the curriculum.
- When classroom assignments are made for the following year, it involves a time intensive process to make sure students are considered individually for how they will succeed based on teaching style, learning style, interaction with peers in the classroom, student strengths, and teacher strengths.
- We cannot consider more than one request per student.
- Parent input is one determining factor and *not the* determining factor in placement. While we work hard to consider parent input, placement from parent input is not guaranteed. The above listed factors are taken into account when it comes to placing all students in classrooms.
- Parent input is due by the end of the school day on **April 30, 2020**. Any requests received after that date, including requests made once the class lists have been posted, will not be considered. There are a few ways to get this form back to Mrs. Kleeman in the office. All requests can either be faxed to 307-886-5789. Scanned (or a picture taken) and emailed to barney.kleeman@lcsd2.org. Or the form may be dropped off at school. Someone will be in the office during school closure every calendared school day, between the hours of 8am – 2pm. Please call the office prior to coming. Thank you!

State Testing Wytopp

Due to the current COVID-19 situation, no State testing will take place in the State of Wyoming this year.

Students Excel in

Accelerated Reader Honors Program

“The more you read, the more things you will know. The more that you learn, the more places you’ll go”

The reading program at Osmond Elementary is on of the many tools that we use to help build strong, life-long readers. In addition to celebrating individual reading success, we have an Honors Reader Program to recognize those students who achieve an extremely high level of excellence. According to our Elementary District Librarian, Shelley Hunsaker, “The Accelerated Reader Honors program is a very challenging as well as rewarding experience for many of our students.”

Students who choose to work towards their Honors Reader certification must meet the following criteria:

- 4th grade, 150 AR points and 7.5 of those points must be nonfiction titles.
- 5th grade, 200 AR points and 10 of those points must be nonfiction titles.
- 6th grade, 250 AR points and 12.5 of those points must be nonfiction titles.

We have several students who are just points away from earning their 1st, 2nd, and even 3rd Honors certification.

The following students have earned their Honors certification at this time:

1st Honors

4th Grade – Raiden Haderlie, Payton Lorimer, Crew Lancaster, Autumn Strgar, Cutler Barnes, Wyatt Felix, Lincoln Brown, McKaty Dance, O’Reilly Morris

5th Grade – Maxwell Jirak, Erika Allred, Ben Hirschi, Porter Putnam, Savanna Sloan, Emiko Richins
