

## Osmond Elementary School *Dry Creek Academy*

Dry Creek Academy, Osmond Elementary School's after-school program, was established over 2 decades ago. 3 sessions (fall, winter, and spring) run during the school year at about 4 weeks per session. Classes are typically held Tuesdays and Wednesdays after school from 2:40 - 3:25. A late bus is available for students. All classes are taught by members of the Osmond staff, with the exception of a few classes that are part of community outreach programs such as 4H.

Data shows we have close to a 60% participation rate in Dry Creek Academy. This equates to about 200 students participating in each session. With so many kids wanting to be involved, it is imperative that students return their forms promptly. We do not accept late forms.

Classes have included:

- Arts & Crafts
- Volleyball
- Ping Pong
- 6<sup>th</sup> Grade Play
- Woodworking
- iMovie
- Bubble-ology
- Archery
- Wickiup Broadcasting Company
- Soccer
- Ultimate Frisbee
- Cake Decorating
- Lego Robotics
- ...And much, much more!
