### What is Title 1?

At Osmond Elementary we have a school-wide Title 1 program. Schools qualify for Title 1 services based on the percentage of enrolled students in economic need. This qualification is based on the number of students in the free and reduced-price lunch program.

Any student enrolled at Osmond, who needs extra academic help, is eligible for assistance. All students at Osmond complete a universal screener in reading three times per year. These test results along with teacher recommendations are used to identify students needing supplemental instruction.

Here at Osmond Elementary, we use the majority of our funds for our Title 1 Paraprofessional team. With this team, we are able to offer small instructional groups to meet the needs of our students.

## Calling all Veterans

Please help us update our list of area Veterans! Osmond Elementary has a tradition of honoring those who have served our country. In order to do so, we keep a list of local Veterans. Keeping this list current is a challenge. We are asking for your help in our effort. Please call the office at 307-885-9457 or send an email to Lyndi Nield at [lyndi.nield@lcsd2.org](mailto:lyndi.nield@lcsd2.org) if you know someone we need to include. Thank you!

We are excited to announce the start of our fundraiser this year! Based on feedback, we have shaken things up a bit and brought back **Charleston Wrap** to help with our fundraising efforts.

Please note that fundraiser packets went home with your students today, as the sales window tomorrow Friday October 1<sup>st</sup>. We ask that you please take a few minutes and read through the information sheets in the packet, as that will help answer many of the questions you may have.

Through this fundraiser students will be raising money to pay for several activities, including our winter ski trips. We ask that each student sell at least \$50 worth of items in order to have their lift tickets and rentals paid for. **If your family would prefer to not participate in the fundraiser, you can send \$50 to the school in the form of cash or check.** Either way, we are thrilled to be planning these activities that encourage our approach to educate the whole child.

## Red Ribbon Week & Halloween

This year we are excited to join countless schools across the country in celebrating **Red Ribbon Week!** Red Ribbon Week is the nation's oldest and largest drug prevention awareness program. During this week, we will be promoting healthy, positive choices that encourage our youth to be drug-free.

To celebrate, we have several activities planned the week of October 24 - 28. Our culminating activity will be on **Thursday, October 28** when students are encouraged to dress up as someone or something that is a symbol of **positivity, courage, bravery, wisdom, and kindness**. (see below for additional guidelines for costumes).

We are looking forward to this week as a time to focus on the positive outcomes of healthy choices that are good for our bodies, minds, and hearts!

### Costume Guidelines:

*If your child chooses to come to school in costume on October 28, please note the following:*

#### **YES,** COSTUMES MUST:

- Connect to the theme – *someone or something that is a symbol of positivity, courage, bravery, wisdom, or kindness.*
- Follow the school dress code
- Allow students to function normally in daily classroom procedures
- Be arranged at home

#### **NO,** COSTUMES MAY NOT:

- Include masks, weapons, or inflatable costumes
