Osmond's Annual Talent Show

Performances will be held in the school gym on **December 21st** and **December 22nd** at 9:00 am. Students will be notified of their assigned day. **Our friends at SVI will be LIVE STREAMING THE SHOW AGAIN!** Parents are welcome to attend in person, but both shows will be available to enjoy live from home. Links will be made available prior to the first show.

Below are the dates for rehearsals. These will be held after school from 2:40 – 3:20 pm. There is an activity bus that the kids can ride to the High School to board their regular bus route, or you can pick your student up here at Osmond if you would prefer.

12/7/21 – 4th Grade Rehearsals (and any group act that includes a 4th grader)

12/8/21 – 5th & 6th Grade Rehearsals

It's beginning to look like Christmas all around the school, but our school tree needs some help!

We would love if students could create something small at home (2 or so inches) to hang from our tree. The tree is placed in the hallway in front of Mr. Barnes office. We look forward to seeing the creative ornaments that our students fill the tree with!

Coins For Christmas

Osmond Elementary is excited to be collecting coins for others this Holiday Season. In the past we have collected coins and donated to The Afton Food Pantry and The Afton Fire Department. This year we will be collecting coins to donate to the Star Valley Search and Rescue. Search and Rescue is ran by volunteers who work tireless hours to train for, and to help our community during times of need. All the money raised will go toward new equipment and tools. We will have several jars out during the month of December for students to drop off any loose or spare change they may have. Let's fill these jars during this season of giving!

Please remember this is voluntary. We understand that this is an already expensive, and hectic time of the year, and we do not want to add any extra stress this Holiday Season.

Early Childhood Census

Parents, our annual Early Childhood Census is now happening! We ask that you go to www.lcsd2.org and click on the link provided or use this QR Code to access the census and fill it out for any of your children who are **birth to 5 years old and not** enrolled in kindergarten yet. The district uses this information to plan for future needs of our schools and to get important information to you the year before your child will enter kindergarten. In January, there will be a census worker in your area that will contact you if you have not filled out the census online. The census will be open from December 1st through January 26th. Thank you for taking the time to complete this census! If you have any questions about the census or have trouble accessing it, please contact Emily Isaacson at 307-885-7129

4th Grade National Park Pass

If you have a 4th grader and are interested in a free National Park Pass please visit <https://everykidoutdoors.gov/pass.htm> then click on 4th graders play and it will walk you through the necessary steps.

OUR ANNUAL SKI DATES ARE SCHEDULED!!!

The dates for our much-anticipated ski trips have been scheduled. They will be as follows:

- 6th Grade – Tuesday, January 11th and Thursday, January 13th
- 5th Grade – Tuesday, January 18th and Thursday, January 20th
- 4th Grade – Tuesday, January 25th and Tuesday, February 1st

Information regarding these trips has been sent home. We ask that you read through all of it, completely fill out the required rental information and sign the release form. A signature on the release form is required by **both** parent and student before students will be able to participate.

Please return the blue paper, Liability Form, and Rental Form by December 13th, 2021.

This will allow us enough time to get the information recorded and to Pine Creek in a timely matter as to ensure proper equipment is ready for each student. Thank you for your help!

I want to wish everyone a happy, safe and healthy holiday season!
