## Count your Bank Bucks!

The last day to do banking at Osmond Elementary will be **Tuesday**, **May 17**<sup>th</sup>. Each student who has participated in this year's banking program will

need to have made 40 deposits and have turned in their 40 bank bucks to the bank by Friday, May 20<sup>th</sup>. Please remember, you may need to visit the bank in person to get all 40 deposits.

### **GOFASA Adventure Club**

Sign-ups for GOFASA Adventure Club will be placed in the cubby across from the office in May. Students that are interested should take a packet home and share with parents. If students are committed to attending all three trips, the packet should be completed and returned to the office or Mr. Whitney. <u>Unfortunately, due to the high demand and only 30 available spots, not all students will be able to participate</u>. Students that do make it in will be notified before the end of the school year and will then receive further information.

#### **Trip Dates**

Salt River
Mon. July 11<sup>th</sup> - Tues. July 12<sup>th</sup>

Water Canyon Thur. July 14<sup>th</sup> – Fri. July 15<sup>th</sup>

Bailey Lake Mon. July 18<sup>th</sup> – Wed. July 20<sup>th</sup>

School meals will NOT be free next year for all students. Free and reduced lunch applications will be available after July 1st on the district website. Please call Sue Helm at the district office with any questions.

Cougar Chronicle May 2022

## IMPORTANT INFORMATION COMING TO PARENTS/STUDENTS VIA MAIL

We will mail a letter at the conclusion of the school year with the name of your student's new teacher as well as other vital information as soon as we receive a completed registration for your student through Infinite Campus. You can register by going to this web address in your browser: https://tech.lcsd2.org/parents/online-registration/

One critical piece of information included in this letter will be Osmond's dress code with an accompanying visual display of acceptable and unacceptable attire. Please read the policy in its entirety. Please also use the visual as a guide in purchasing school clothes for the upcoming school year. Please call the school if you have any questions.

#### Thank you!

### Warm weather is on its way HURRAY!

That means more time outside in the beautiful sunshine. May we all live by the old adage "an ounce of prevention is worth a pound of cure."

Here is an easy reminder of how to stay safe this summer along with some additions from my years of working in the Emergency Room.

- Buckle up! Please wear your seat belt and make sure your children are buckled in an appropriately sized car seat or booster. I promise, SEATBELTS SAVE LIVES!
- Wear a helmet when on a bike, roller skates/blades, scooters, motorcycles etc. Helmets SAVE the BRAIN!
- Trampoline safety: Install a safety net around the trampoline and cover the trampoline's frame, spring, and hooks with protective safety pads. One jumper at a time and adult supervision will decrease the accidents that happen on trampolines.

Have a wonderful and safe Summer! Chris Simpson BSN RN

## LET A BOOK TAKE YOU ON AN ADVENTURE THIS SUMMER!

Watch for a summer reading calendar and more information in your new teacher letter!

Dear Parents/Guardians,

As you may be aware, I have accepted a new position in the district as the principal of Thayne Elementary School, effective July 1. Although I am looking forward to future adventures in my new assignment, I will miss working closely with the people I have grown to love and appreciate at Osmond. I am grateful for the fond memories and great experiences I've had both as a teacher and principal at our school over the last 11 years. Osmond is truly a special place.

I want to thank you for your support for our students and staff over the years. I have always felt that independently our impact is limited but, together, our influence can inspire boundless growth and maximize future success for our students. Thank you for your trust in us and for collaborating with us for the benefit of our students. I have confidence moving forward that parents and staff at Osmond will continue in a joint effort to help our students achieve success at the next level. Thank You!

Mr. Barnes
