What is Title 1?

At Osmond Elementary we have a school-wide Title 1 program. Schools qualify for Title 1 services based on the percentage of enrolled students in economic need. This qualification is based on the number of students in the free and reduced-price lunch program.

Any student enrolled at Osmond, who needs extra academic help, is eligible for assistance. All students at Osmond complete a universal screener in reading three times per year. These test results along with teacher recommendations are used to identify students needing supplemental instruction.

Here at Osmond Elementary, we use the majority of our funds for our Title 1 Paraprofessional team. With this team, we are able to offer small instructional groups to meet the needs of our students.

SPIRIT DAY 10-07-22

In celebration of SVHS Homecoming, wear your Braves gear to support our Braves football game and Lady Braves volleyball games!

Parents,

We are asking for your help in reminding your student to not put their library books in the same backpack pocket as their water bottle. Even the "non-leaking" water bottles seem to be causing issues.

Thank you for your cooperation.

We are currently in the process of getting this year's fundraiser set up. Please watch for more information to be sent home here in the next couple of weeks.

Calling all Veterans

Please help us update our list of area Veterans! Osmond Elementary has a tradition of honoring those who have served our country. In order to do so, we keep a list of local Veterans. Keeping this list current is a challenge. We are asking for your help in our effort. Please call the office at 307-885-9457 or send an email to Mrs. Nield at lyndi.nield@lcsd2.org if you know someone we need to include. Thank you!
