DRY CREEK ACADEMY Beyond the Classroom ~ Winter 2023

This session will run from **January 9th to February 1st**.

- The Dry Creek board was posted before break, so remind your student to check the board if they aren't sure what class they are in. **Notes will not be sent home.**
- Dry Creek Academy starts at 2:40 and runs until 3:20 pm on Mondays &/or Wednesdays.
- Buses will go from Osmond to SVMS, and then students can ride their normal route bus home. However, space is limited. If you are available to pick up your child after class, we would greatly appreciate it.

Classrooms have been holding their preliminary Spelling Bees to decide on the three representatives from each classroom who will then participate in the Osmond Written 4th – 6th Grade Spelling Bee on Wednesday, January 11th.

The top five spellers from each grade will advance to the District Bee for 4th – 6th grades on Wednesday, January 18th.

The top ten 6th graders for the District will then advance to the District 6th – 8th Grade Bee on Wednesday, February 8th.

Winter Has Arrived!

A goal of our physical education department is to teach sports/activities that will keep students active throughout their lives. Skiing and snowboarding are an obvious choice as we are privileged to live in an area with abundant snowfall.

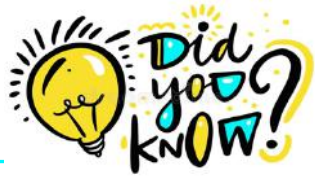

Thanks to your support of the fundraiser and reduced prices offered by Pine Creek Ski Resort, we are able to offer two days of skiing/snowboarding with instruction for each grade level.

If your child earned \$50 through the fundraiser, the lift ticket and rentals are covered for both days. If they did not participate, please make sure to have money to the school prior to their scheduled trips.

The cost is \$50 total for two days of lift tickets and two days of rentals. If your student has their own equipment that they will be bringing, they only need to pay \$15 per day (\$30 total) for their lift ticket or if they have their own equipment and a season pass, they will not need to bring in any money. If for some reason they need to rent equipment but have a season pass they will simply owe \$10 per day (\$20 total).

We are excited for this opportunity and know that the two days increase the likelihood that our young skier will taste enough success to instill a desire to continue. It is amazing to see how quickly they learn!

5th & 6th graders can get **FREE** ski lift tickets at various Idaho resorts!

For more information go to www.skiidaho.us and click on the passports tab.

Free and Reduced Lunch Makes a Big Difference for our School!

Parents, we highly encourage you to apply for free and reduced school meals at the following website:
<https://lcsd2.org/free-reduced-application-instructions/>

Beyond the benefit of having a reduced or free lunch for your student, **this helps our school continue to qualify for Title I reading and math assistance for our students.** Even if your child doesn't eat school meals, we would encourage you to apply so that we can report an accurate counting and maintain all the amazing services our Title I program teacher and aides provide to our students.
