Osmond Elementary's school-wide Title 1 program.

Any student enrolled at Osmond, who needs extra academic help, is eligible for assistance. All students at Osmond complete a universal screener (AIMS web plus) in reading three times per year. These test results along with teacher recommendations are used to identify students needing supplemental instruction.

Schools qualify for Title 1 services based on the percentage of enrolled students in economic need. This qualification is based on the number of students in the free and reduced-price lunch program.

Here at Osmond Elementary, we use the majority of our funds for our Title 1 paraprofessional team. With this team, we are able to offer small instructional groups to meet the needs of our students.

Our Title 1 program offers after school tutoring called Smarty Club, this is on Tuesday and Wednesday from 2:35-3:15. If you have any questions, contact Ileene Jensen at Osmond Elementary.

Swings Update

We are happy to announce that after a long summer of contacting several contractors, we finally received two bids for the swings at Osmond, and one of the bids has been approved by the school board. This gives us the green light to begin construction. We hope construction will begin on the project soon, but we also understand that contractors are limited by how quickly suppliers can send the needed materials.

We cannot give a definite answer right now if they will be installed before it snows or if we will have to wait until spring, but either way, things are finally moving forward.

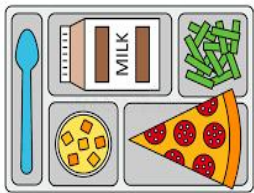

Thank you again for your support and donations for the project. This will be a great addition to our school and community.

Calling all Veterans

Please help us update our list of area Veterans! Osmond Elementary has a tradition of honoring those who have served our country. In order to do so, we keep a list of local Veterans. Keeping this list current is a challenge. We are asking for your help in our effort. Please call the office at 307-885-9457 or send an email to Mrs. Nield at lyndi.nield@lcsd2.org if you know someone we need to include. **Thank you!**
