The top five spellers from each grade will advance to the District Written Bee for 4th – 6th grades on Wednesday, Jan 21st.

The top ten 6th graders for the District will then advance to the District 6th – 8th Grade Oral Bee on Wednesday, February 4th.

Osmond Elementary is excited to announce that, after many years of hoping to make it a reality, we have been able to purchase ski helmets so that every student can participate in our annual ski program with a helmet for years to come.

Thanks to overwhelming community support during this year's fundraiser, along with additional grant funding, this long-standing goal has finally been achieved. Students will once again hit the slopes in January for our annual ski trips – an experience we consider one of the most important opportunities we proved at Osmond, as it helps students build perseverance, confidence and resilience.

The level of support this year was truly remarkable; in fact, the Texas Roadhouse fundraiser was so successful that an additional off-site freezer had to be rented by the restaurant to store all of the rolls our students sold. We are deeply grateful to our families, community members, and all stakeholders who contributed to making this important safety improvement possible for our students.

Ski Trip Information . . .

6TH GRADE WILL GO TO PINE CREEK ON TUESDAY, JANUARY 13TH & THURSDAY, JANUARY 15TH

5TH GRADE WILL GO TO PINE CREEK ON TUESDAY, JANUARY 20TH & THURSDAY, JANUARY 22ND

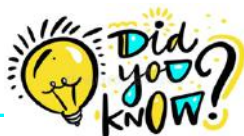

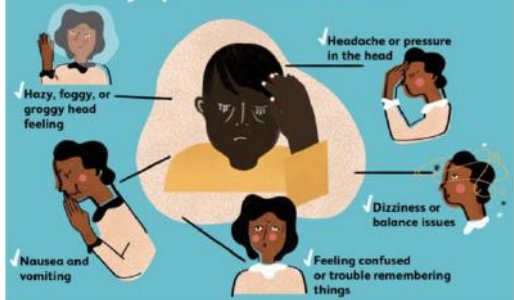

4TH GRADE WILL GO TO PINE CREEK ON TUESDAY, JANUARY 27TH & TUESDAY, FEBRUARY 3RD

- If you haven't filled out the online ski form, we ask that you do so as soon as possible through the following link: <https://bit.ly/oes2026ski> All students attending the ski trips (**even those who will be using their own equipment**) are required to have a form completed.
- Buses will leave Osmond at approximately 8 am. Please make sure your student isn't tardy that day.
- NEW THIS YEAR – helmets will be mandatory for all students when skiing. Helmets will be provided by the school, or students are welcome to bring their own if they have one.
- Make sure your student is dressed properly – socks, snow pants, warm mittens, or gloves (not cloth), and a warm coat. Students are welcome to wear a neck gator or ski mask to go under the helmet. Please note most stocking caps will not fit under the ski helmets.
- Students should only be in the lodge for eating, using the restroom, or if they have an injury.
- Don't forget a lunch & water! If your student ordered a sack lunch from school, they can pick it up that morning. Students can also purchase food at Pine Creek's snack bar or bring a lunch from home. We suggest that students bring extra food to snack on. All the fun makes them hungry!
- Students will **not** be dropped off at their home. They can be picked up at Osmond at approximately 4 pm or the District Office at approximately 4:15 pm. Students can walk home from the District office or be picked up there. Please make a plan with your student ahead of time so they know where they will be picked up.

January is National Winter Sports Traumatic Brain Injury Awareness Month.

To help protect yourself, be sure to wear a helmet that is in good condition and fits properly!
