The "SOUP" ER BOWL!!!

HELP YOUR SCHOOL TAKE HOME THE

CEREAL-OUSLY AWESOME TROPHY!

FEBRUARY 2nd – 5th

cereal = TOUCHDOWN!

PASTA = FIELD GOAL

SOUP & OTHER GOODS = EXTRA POINT

The PTO will fill boxes to donate to the Afton Food Pantry. Each box filled with cereal will earn that school 6 points. A box filled with pasta will earn 3 points. All other non-perishable food will be boxed together to earn that school an extra point.

*** Though Ramen is considered a soup, the food pantry does not have a high need for it currently. They do however, need cereal! ***

Please do not donate food that has an expiration date before 2025.

Let's make this the most
CEREAL-OUSLY AWESOME

February is **Heart Health Awareness Month**.

The **HEART** is a muscle about the size of your fist! It carries blood full of **oxygen** and **nutrients** all around the body and rids the body of waste. For school age kids, the **heart** beats anywhere from around 60 to 118 times a minute when you're resting and even more than that when you're active. **That's hard work!**

Exercise is the best way to keep the **heart** strong and healthy. Kids can make it a goal to play outside as much as possible, get involved in **sports**, or even to participate in activities often such as **tag** or **hide and seek!**

Healthy eating is another great way to take care of the **heart**. **Fruits** and **vegetables** are at the top of every pediatrician's **heart-healthy** food list. Try mixing them in a smoothie or preparing low-calorie dipping sauces to pair with them. Pediatricians also recommend **whole grains**, **fish**, and **lean meats**. (Cleveland Clinic, American Academy of Pediatrics.)

The following students placed in the District Spelling Bee on January 21st.

1st Place:

Kali Mitchell - 4th grade
Jacquelynn Johnson - 5th grade
Scarlett Peterson - 6th grade

Also advancing to the next level:
