the next couple of weeks.

Friday, Sept 25th

No School

Wednesday, Sept 30th

OES Fall Picture Day

Looking ahead . . .

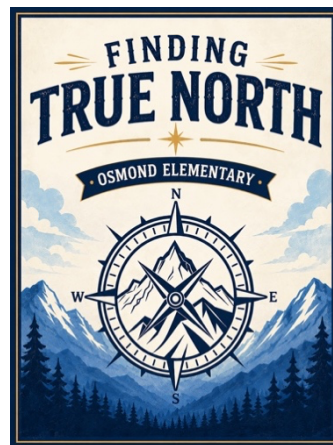

Tuesday, Oct 6th

First Day of Fall Dry Creek
Academy

Welcome back to another exciting school year at Osmond Elementary!

Our theme for this year is “**Finding True North**,” a reminder that success is not always about taking a perfectly straight path; it’s about knowing where you want to go and making adjustments along the way. At school we will encourage students to set goals, persevere through challenges, learn from mistakes, and keep moving in the direction of growth and success. Please partner with us in reminding them that they will occasionally get a little lost, and that’s simply part of the journey. Celebrate with us when they overcome challenges and obstacles and find their way forward. We are excited to partner with our families for another great year of learning, growing, and helping every Cougar find their own “**True North**.” It’s great to have our students back at Osmond Elementary!

- Principal Tyler Jack

BEGINNING OF THE YEAR REMINDERS

- All visitors must check into the main office. **If your intent is to access the building beyond the main office, visitors must have their ID screened and wear a school issued visitors badge.** This is currently in effect for the new year, so if you have not been scanned through our system, please plan to bring your driver’s license with you. This is for your child’s safety and is required during school hours with students in attendance. THANK YOU for your cooperation.
- Specials calendars, school calendar, and bus information are available on the school’s website: osmond.lcsd2.org. You may also join us on Facebook at Osmond Elementary as well as on Instagram at osmondelementary. Information will be posted on both of these social media platforms.
- **We ask that you please try to call before 2:00 for any busing changes or messages. This will allow us plenty of time to make sure your student gets the message.**
- We are unable to transfer a phone call from you to your student’s classroom. If you need to speak with your student you may leave a message with the office and we will have your student call during their next recess.
- Please call the office and let us know if your student is absent so we can excuse them.

Fall Assessments

As we begin the school year, Osmond students will engage in several preliminary assessments in reading, writing, and math. These screenings provide teachers with vital information that will better equip them to give focused support for your child in having a successful school year.

Osmond’s Parent Teacher Organization makes a tremendous difference for our students! Our first meeting is scheduled for **Sept 10th** at 10:30 am in the library.
All are welcome!

"BEING A GOOD DIGITAL CITIZEN"

-What does it look like to be a good Digital Citizen in your online community?

-How you behave online can affect those around you in a positive or negative way.

-How can we use technology for the right reasons and in the right way?

**TREAT OTHERS
WITH
KINDNESS**

This year in the Tech and Library Specials classes, we will be focusing on different aspects of Digital Citizenship. Every month we will be addressing a different topic. The topic for September is, "Being a Good Digital Citizen." We will be discussing what "Digital Citizenship" is, and proper behavior online. A few additional items of discussion for the month of September will be:

- What does it look like to be a good Digital Citizen in your online community?
- How you behave online can affect those around you in a positive or negative way.
- Using technology for the right reasons and in the right way.

We are excited to focus more on Digital Citizenship this year! Please reach out if you have any questions.

Addie Bradley - Tech Teacher
Dani Call - Librarian

TRACK. CONNECT. KEEP THEM SAFE!

EZ ARRIVAL

Real-time updates.
Peace of mind for parents.

- REAL-TIME TRACKING**
See your child's bus location in real time.
- ARRIVAL UPDATES**
Get estimated arrival times at your stop.

Download on the App Store
GET IT ON Google Play

NEW COMBO READERS

STUDENTS CAN:

- USE THEIR PHYSICAL ID CARD
- OR
- USE A SCREENSHOT FROM THEIR PHONE
- OR
- ENTER THEIR STUDENT ID NUMBER

Thank you for riding with us!

MEET THE + NURSE +

Kelli Scherbel, RN.
kelli.scherbel@lcsd2.org
307-885-9457 ext. 7166

Welcome back to another great year at OES! As we settle into the new school year, please kindly inform Nurse Kelli of any known allergies or medical conditions your child has, and of any medications they will need to take at school on a regular basis.

For daily medication forms, care plans or other school health related info visit: lcsd2.org/student-health

Dry Creek Academy is an after-school enrichment program offering students an opportunity to explore a variety of interests. Our faculty share their knowledge by leading a class in their area of expertise. Classes are held one afternoon a week and students are able to catch a late bus to the high school where they can ride their route bus home. Due to the number of students participating, each student can only sign up for one class (total, **not** one per day). Please be watching for more information coming home soon regarding the online registration that will open the evening of September 22nd.

Our local banks are once again supporting our students through our **Banking Program!** Students learn the importance of saving by making weekly deposits, with participating banks contributing \$\$ to their accounts at the end of the program. **Banking will take place every Tuesday during morning recess, beginning September 15, 2026.** Look for a flyer coming home with additional details.

Thank you to First Bank, Bank of Star Valley, and Advantage Credit Union for supporting our students!
